

Quick reference guide

Here's a handy checklist to help you get organised.

- Please fill in your travel details and return to us at least 2 weeks before your stay.
- If required, pre-order shopping for your arrival from St. Martin's Stores.
- Have waterproof luggage or line your cases with plastic bags.
- Pack any medication that you need, remember some spares.
- Make a note of everyone's home GP numbers and their NHS details.
- Bring photo ID for travelling to the islands.
- If you're coming on the Scillonian, once you get to Penzance quay pick up red St Martin's luggage labels for your bags.
- Have your waterproofs close at hand for the boat between the islands.
- Please ensure that all members of your party travel on the same boat as their luggage.
- Check stmartinsscilly.co.uk/boat-times for boat times to St Martin's.
- If you're going to need a boat to St Martin's outside of the scheduled times please organise a transfer with Tresco Boats.
- When you're on the boat to St Martin's please call the farm 01720 422 169 or Zoe 07814 695 320 so we know what time and which quay to pick you up from. (If we don't hear from you, we won't be there to pick you up!)
